

Customer Support Policy

Daraz Knowledge Base — Customer Support Reference Document

Support Channels

- In-app Live Chat (fastest response for order-related issues).
- Helpline / Call Center for urgent matters.
- Email support for detailed or documented complaints.
- Social media (for general inquiries, not sensitive account details).

Response Time Standards

- Live Chat: typically within a few minutes during business hours.
- Email: within 24-48 hours.
- Escalated/complex disputes: 3-5 business days for resolution.

Common Support Categories

- Order status and tracking issues
- Return, refund, and replacement requests
- Payment and billing disputes
- Account and login issues
- Product quality complaints
- Seller-related disputes

Escalation Process

If a customer's issue is not resolved at first contact, it is escalated to a senior support agent or the relevant category team. Customers can request escalation by referencing their previous ticket number.

Customer Conduct Guidelines

Support agents are expected to remain professional and courteous at all times. Abusive or threatening behavior toward staff is not tolerated and may result in restrictions on account support access.
