

Seller Policy

Daraz Knowledge Base — Customer Support Reference Document

Becoming a Seller

- Register with a valid CNIC/business registration and bank account details.
- Complete seller verification and agree to the marketplace terms.
- List products with accurate descriptions, images, and pricing.

Seller Responsibilities

- Maintain accurate stock levels to avoid order cancellations.
- Ship orders within the committed handling time (typically 1-2 business days).
- Respond to customer queries and disputes within 24-48 hours.
- Honor the platform's return and refund policies.

Seller Performance Metrics

- Order fulfillment rate
- On-time shipping rate
- Customer rating and review score
- Cancellation and return rate

Penalties & Account Actions

Sellers with consistently poor performance (high cancellation rates, late shipping, or policy violations) may face reduced visibility, temporary suspension, or account termination. Counterfeit or prohibited items result in immediate listing removal.

Payments to Sellers

Seller payouts are released on a regular settlement cycle (e.g., weekly/bi-weekly) after deducting commission and any applicable fees, provided there are no pending disputes on the relevant orders.
